► Featuring a thrilling action combat system. The action combat of the Elden Ring Cracked Accounts combines the depth of a third-person RPG and the vigor of a first-person RPG. Attack with a sword, cast magic, or run and you can freely wield any combination of weapons, armor, and magic. Additionally, devastating special attacks such as deadly combos and auto-hit attacks are possible. ► As the leader of a party, choose your role and build a party. For example, you can choose to cast buffs or to wield a sword. As you equip powerful items, your choices will change, and your party will gain new skills or receive support for battle. The role and skills of the party determine the story that the player will experience. ► A Character with a deep, rich history. The Elden Ring is a story of faith, hope, love, despair, and vengeance spanning two centuries of history that has taken place in the Lands Between. It is a story in which the memories of countless battles and the forms of warriors and characters are preserved. This history has deeply moved and affected the people of the Lands Between, and this history has also influenced the world we live in today. ► A wide variety of elements, breathtaking gameplay, and graphics. The game features a wide variety of elements: an expansive world for exploration and a high-definition 3D graphics engine allowing for detailed graphics on high-end PCs. ► User-friendly interface allowing for various adventures. An intuitive interface lets you enjoy the game while creating your own story. The map is automatically generated based on the current situation. Players can also automatically search for dungeons or locations, and communicate with the opposing party. ► Battles with an action combat system. The battles in the Elden Ring are more dynamic than ever. Various attacks and special moves are available, allowing for a thrilling

---

gameplay experience. ► Production values like no other. With its dense and complex story full of ancient history, rich characters, and a vast world full of mysterious dungeons and open areas, it is no wonder that the Elden Ring is already known as one of the best games. The game is currently available on PS Vita, PS4, and Xbox One. For more information, please visit us at **\*\*PlayStation®4** and **“PlayStation”** are

"We have come to realize how to light up a life with creativity and imagination without getting too caught up with world-shine," said Jun-in Hyun, the game's director. "Not just Elden Ring, but our basic beliefs have been strengthened in becoming passionate about creating a game like this. As for cooperation, I also feel a strong sense of joy of support from all of the developers. I am truly grateful to each and every developer!"

**GAME STRUCTURE** The game consists of the following stages: 1. Awakening in the Lands Between 2. Encountering the Elden Ring Cracked Accounts 3. Investing in a Divine Weapon 4. Investing in a Heroic Gear 5. Gathering a Clan and Exploring the World 6. Traveling in a party 7. Battle against monsters 8. Special Dungeon 9. Investing in a Hero 10. Prepare for the final battle against the evil with the Elden Ring

**STAGES**

1. Awakening in the Lands Between This phase starts after you chose a character for your game and create your own world. You and the other members of your party will meet each other and exchange their stories.
2. Encountering the Elden Ring Here begins the long travel with your friends, who have the same goal as you. You meet various new characters who know about the Elden Ring.
3. Investing in a Divine Weapon In this phase, you receive a divine weapon, which you will use to manipulate time. Besides controlling time itself, your weapon can increase your physical strength, magic power, or critical-hit rate. After that, you will enter the game's second world.
4. Investing in a Heroic Gear In this phase, you buy equipment for your hero. With this equipment, you can strengthen your physical power and magic power, or change your character's appearance.
5. Gathering a Clan Your main hero will meet with other people. You will fight against monsters, and then you will meet a powerful NPC and will enter the game's third world.
6. Traveling in a party This phase will allow you to take part in a group quest with other characters you meet. During this phase, you can freely travel and directly interact with other characters from the game.
7. Battle against monsters Here starts the struggle to save the world. There are plenty of battle scenes, so you must decide your steps wisely.
8. Special Dungeon A special dungeon, which you will enter during

---

the final battle, will show you a new new world. Here is a time when you should stay until the very end. 9. Investing in a Hero In this phase, you will be able to save the world, and your hero will be given additional special powers to make the final battle easier. 10. Prepare for the final battle against the evil with the Elden Ring After bff6bb2d33

===== WEATHER ISSUES IN JAPAN Dear GOLDBERG, RELEASE DATE IS LEADING UP TO JULY 4TH It looks like both the USA and Japan will release Destiny 2 around the same time. We plan to have a couple of surprises for our Japanese community. We are still working on the details and we are still aiming for July 4th. However, we are no longer confident that the US release date will be on July 10th. We know you were a bit disappointed last time but we are aiming to make that the best experience in the game. We will let you know when we have more

---

details. We also have a brand new character, Fallen Hero, with a fresh look. This character will be part of a free update in the coming weeks. A better date for you then? We hope you'll tell your friends about the game. And a warm welcome to you in our community. With GGS Wendy
