[8.03.2016] "The gods 'n demons are coming, no shit. They're going to reformat our dimension into their own. We have to do something 'bout it!" —Chief Simon "Mannet" Mannhardt "When I entered Mount Hestia, I had a feeling it would be a fight like this. This is why I'm here." —Kesu "God is dead. Now it's our turn to fight for the people who died from the sword." —Kesu "The Elden Ring was actually created a long time ago. Although some say it's the sword that saved us from the gods, and some say it's just a fantasy story, as far as I am concerned, it's an excuse to create a world filled with gods and demons." —Alois "The world of the gods is a fake. Life without laws is an illusion. The one who demands absolute freedom is just an asshole." —Yunludre "I'm telling you, a world with everything are fucked up. Not everything has a reason. Nothing has to be fair." —Kesu "What should I do? I can't move freely. I can't scream. I'm not allowed to run away. I'm here so it's probably best to just give up now. But, I can't! I've got to find what I'm searching for. I have to stop it. I don't know how, but I know that I have

---

to do this!" —Kesu "My mission is to stop the Elden Ring from taking the holy land. I'm here because that's my mission. That's my mission to make. To stop the demon lord from taking the holy land from us." —Kesu "It's likely that you have the feeling that they're winning. I've been there, too. But I can't live with that. I can't live with everything being just about money or a rule." —Kesu "I'm hunting for the Elden Ring. I can't save them, but maybe I can at least save her. That's what I've been thinking. I'm here to save the woman who broke into my home."
