

PiQture Crack+ With Product Key

PiQture is a fast, minimalist, light-weight tool for taking screenshots of your Windows 10 desktop. The app's only feature is capturing the entire desktop. No window, object, or region capturing. The app uses web technologies for its backend and offers simple yet powerful features. It has zero maintenance requirements. No configuration. Capture can be scheduled and interval can be adjusted. The app lives in the system tray and lets you take screenshots with a single click. Upload to the PiQture server for storage and sharing. Enjoy your desktop directly on PiQture website.
